

Features

- Desktop unit or cabinet
- Small-medium monthly volume In-line System
- Value for money
- Printed, folded and sealed in one single process
- Fast and simple operation (*Printer speed dependent*)
- Optional cabinets available for storage
- Compatible with HP, OKI, Lexmark, Samsung, Kyocera (*Please check with us for suitability*)

Options

- Print only mode upgrade
- 14" Z-Fold drum
- Cabinet with storage

** The Kyocera Option is the only laser printer that can produce 'in-line' with duplex, therefore all folds are not available with this machine
 *** 'Print Only Mode' is not required if using the Kyocera Printers.

The Mailfinisher 4000 is the ultimate small desktop system, It is exceptionally quiet and is fully intergrated making it near operator free.

The machine is compatable with numerous cut sheet printers, and there are optional cabinets available to allow additional paper trays to be allocated to the printer as well as added storage.

The MF4000 offers cost effective and fast operation in total confidence making it ideal for any office environment.

Mailfinisher 4000
