

# MS 3000/4000

Designed with budget in mind, the introduction of the all-new MS3000 to the UK market has enabled smaller companies to benefit from utilising pressure seal technology in a cost-effective package. Compact, lightweight and quiet, the MS3000 is perfect for the small office environment, and is compatible with the HP2200 and HP4200 printers. If you require your sealing machine to attach to a HP Laserjet 4350, please choose the MS4000.

Available as standard with Z-Fold plates, other fold plates are available to meet your requirements.

## Features

-  Auto Start/Auto Stop functions
-  Input and output sensors
-  User-friendly interface to control input types and display features such as batch and total counts
